## Self-Funding Success

Frustrated with a lack of flexibility and runaway cost increases with their fully insured plan, this group came to HealthEZ ready to switch to self-funding. The HealthEZ team helped the group save \$1.3 million in just 18 months with smart network and PBM strategies and rigorous cost control efforts. This is compared to their actual fully insured cost trend.

Custom self-funding strategies and cost containment have helped this group return \$1.3 million to their bottom line. Self-funding with HealthEZ is a powerful business strategy.
